125 to 7000 psi Compressors, Water Cooled (6000 Series)

With more than 70 years of innovative design, Sauer Gas Compressors have long convinced customers of their worth in numerous fields of application for process engineering that requires high quality compressed gas or air. Experience and know-how make it possible as well as individually designed compressor packages. Today we offer 3- and 4-stage gas compressors for up to 5075 PSI in an extensive, and standardized, product range.
